

# Mental Health & Suicide Prevention Service Referral Form

## About NWMPHN mental health referral and access

1. The North Western Melbourne Primary Health Network (NWMPHN) mental health referral and access team is an entry point for eligible people seeking **primary mental health support in the NWMPHN region**.
2. Referrals are for people who are unable to access MBS subsidised or private mental health services.
3. Credentialed mental health clinicians will assess and allocate the referral to the most clinically appropriate service, and you will be informed of the outcome.
4. The client will be contacted directly by the service to schedule an appointment.
5. **For questions or referral support** – contact the mental health referral and access team on **(03) 9088 4277**.

**Complete and fax this form to (03) 9348 0750 or send a password protected pdf to [referralandaccess@nwmpnhn.org.au](mailto:referralandaccess@nwmpnhn.org.au)**

**How long will it take for my client to see a mental health professional?** Clients generally have their first appointment with a mental health professional within 4 – 6 weeks of the PHN receiving the referral.

This is **NOT A CRISIS SERVICE**. If crisis support is required, please call **000** or your local emergency service.

Please note, services are restricted to people live work or study in the North Western Melbourne Primary Health area. [Find your local PHN](#)

**PLEASE NOTE: \* denotes mandatory information. If this information is not included, referral may be delayed or not accepted.**

**This form meets the minimum requirements for billing a Mental Health Treatment Plan (MHTP), therefore you are not required to attach a separate MHTP.**
